Cub Scouts ages 8-10

Activities: knot tying, camping, canoeing, using a map, learning about the environment, team activities, and earning badges.

Scouts ages 11-14

Challenging activities like lots of camping, rope bridges, bush craft, team activities, leadership, first aid, navigation, earning badges and Jamboree!

Venturers ages 15-17

As a Venturer you're given the freedom to choose your own activities, depending on your interests, because we

know that you're most motivated to achieve when you're passionate about what you do.
